THIS REPORT COVERS THE PERIOD FROM JULY 1, 1983 THROUGH JUNE 30, 1984.

We dedicate this year's Town Report to Clayton C. Jackson, who was a dedicated public servant to the residents of Winchester for nearly twenty years.

Clayton will be missed and remembered by all for his many contributions to this community.

Selectmen's Report - 1985

The Board of Selectmen wish to thank all the taxpayers and Town Officers for their cooperation during the past year. Selectmen hold regular hours on Tuesday from 7 PM to 9 PM. Other times may be arranged by calling 239-4951 if these hours are not convenient. The Selectmen's Office is now open Monday through Friday from 7:30 AM to 5 PM.

We again call your attention to the numerous forms available in the Selectmen's Office to be used by the taxpayers for property taxation. The only form that is mailed out is the Inventory of Taxable Property. All other forms must be obtained at the Selectmen's Office. The law states that an Inventory Form must be filled in, signed and returned to the Selectmen's Office on or before April 15th. If an Inventory form is not filed, there is no legal basis for the Board of Land and Tax Appeals or the Court to consider an application for abatement. Also a late return of the Inventory form will be assessed a penalty.

Veteran's Exemption

Permanent applications are available in the Selectmen's Office. We call to your attention that, if a person eligible for exemption changes his domicile, or a veteran's wife becomes a widow during the year, a new permanent application must be filed with the assessing officials.

Exemptions for Certain Elderly People (C.E.P.)

These forms are for persons who qualify for reduction in their tax bills. These forms must be completed and in the Selectmen's Office on or before April 15, 1985. If there is no completed form on file, we cannot grant the Elderly Exemption. As of April 1, 1985, the three categories of exemptions are from ages 65 to 74, 75 to 79, and age 80 and over. It is your responsibility to complete a new exemption form if you change categories.

Intent to Cut Timber

Every owner, including State, County or municipality or public agency, shall, prior to each cutting operation, file with the Selectmen a notice of intent to cut.

Assessment of Open Space

No owner of land shall be entitled to have a particular parcel of his land classified for any tax year under the provisions of this chapter unless he shall have applied to the assessing officials on the form approved by the Board and provided by the Tax Commission.

Permits

Any person, firm, corporation, municipality, public agency or institution desiring to operate, maintain, offer for rent, lease or tenancy a site, lot, field, tract of ground for location of any new building, trailer park, trailers or mobile homes or other similar conveyance, or place of abode for shelter shall obtain a written operating permit from the Board of Selectmen. Where applicable, it would be necessary to have received and to show proof of having received approval for construction granted by the New Hampshire Water Supply and Pollution Control Commission for construction of any septic tank system before a building permit or permit to park a trailer or mobile home shall be issued.

House Trailers

Whenever a person moves a house trailer or mobile home into a city or town for the purpose of establishing a residence in said city or town, or whenever a person purchases an existing house trailer or mobile home with the intent residing in the same at the existing location she shall within fifteen (15) days of placement of the trailer or mobile home or within fifteen (15) days of the purchase of same, register with the Assessors of the city or the Selectmen of the town where he shall reside. Whoever fails to comply with the provisions of this section shall be guilty of violation 72:7B (1973:152).

Eugene W. Clark, Chairman
Robert E. Sweat
Jean M. White

Board of Selectmen
Town of Winchester, New Hampshire

Town Manager's Report

It has been a productive and busy year at Town Hall. Town officials and employees have worked diligently to provide the services desired by the public at the lowest costs possible.

Special attention has been given to the condition of the Town's bridges this year. You will see as one of the first articles a request for authorization to borrow \$129,000 for the purpose of replacing three bridges. It will be at least 3 years before actual construction would begin, but in order to qualify for 70% federal aid, the Selectmen need to request the authorization to borrow now. The borrowing of the Town's share would not be necessary until construction time.

The Civil Defense budget has jumped from \$300 to \$2,900 this year. The reason for this is the Town has obtained an Emergency Management Grant which will reimburse up to one quarter of the operating expenses of the Emergency Services Building, one half for a needed portable radio, and one quarter the cost of purchasing a typewriter and photocopier to be used by all the emergency services departments. The actual increase in non-reimbursable expenses will be \$300 to allow for other non-reimbursable expenses.

Some projects completed this last year include paving the area behind the Emergency Services Building, paving the Wyman's Trailer Park Roads and updating the tax maps. The sander, van, tables and chairs, and cruiser authorized at last Town Meeting have been acquired. The Soils Maps authorized two years ago have been delivered.

Special thanks goes out to all the dedicated town officials and town employees who have made this last year a successful one.

Respectfully,

Catherine Burgess
Town Manager

TOWN MEETING WARRANT
TOWN OF WINCHESTER
STATE OF NEW HAMPSHIRE

TO THE INHABITANTS OF THE TOWN OF WINCHESTER, IN THE COUNTY OF CHESHIRE IN SAID STATE, QUALIFIED TO VOTE IN TOWN AFFAIRS:

You are hereby notified to meet in the Town Hall in said Winchester on Tuesday, the 14th day of May next, 1985, at nine of the clock in the forenoon to act upon the following subjects. The polls not to close at an earlier hour than six of the clock in the afternoon.

- Article 1. To choose all necessary Town Officers for the ensuing year.
- Article 2. To see if the Town will vote to amend the Winchester Zoning Ordinance as proposed by the Planning Board.
- Article 3. Do you favor the continuation of the Town Manager plan as now in force in the Town? (RSA 37:15)
- Article 4. To see if the voters are in favor of having the office of Town Clerk combined with the office of Tax Collector, thereby creating a new office of Town Clerk - Tax Collector to be held by one individual for a three year term starting with election at the annual meeting in 1986. (RSA 41:45a)

Also you are notified to meet at the Town Hall in said Winchester on Saturday, the 18th day of May next, 1985, at nine of the clock in the forenoon to act upon the following subjects.

- Article 5. To receive reports of the Selectmen, Town Treasurer, and other Town Officers including Agents and Committees and act thereon.

- Article 7. To see if the Town will vote to authorize the Tax Collector to accept prepayment of property taxes and resident taxes in accordance with RSA 80:1A and RSA 80:52A.

Inserted by the Board of Selectmen

- Article 8. To see if the Town will vote to authorize the Board of Selectmen to borrow money in anticipation of taxes until June 30, 1986.

Inserted by the Board of Selectmen

- Article 9. To see if the Town will authorize the Board of Selectmen to apply for, accept and expend, without further action by Town Meeting, money from the State, Federal, or other governmental unit or a private source which becomes available during the fiscal year in accordance with Chapter 31:95-b, New Hampshire RSA.

Inserted by the Board of Selectmen

- Article 10. To see if the Town will authorize the Board of Selectmen to sell and convey any real estate acquired by the Town, including acquisitions from tax sale, during the period until the next annual Town Meeting, and authorize the Selectmen to sell and convey such real estate by auction, sealed bid or in any other manner as justice may require.

Inserted by the Board of Selectmen

- Article 11. To see if the Town will vote to raise and appropriate the sum of eighty-one thousand five hundred fifty-eight dollars (\$81,558.), said amount to be used for the operation of the Water Department for the fiscal year ending June 30, 1986, as per a budget submitted by the Board of Selectmen, and said sum of money to be also an estimated receipt on the budget of the Town of Winchester, New Hampshire.

Inserted by the Board of Selectmen

Recommended

- Article 12. To see if the Town will vote to raise and appropriate the sum of sixty-five thousand four hundred and eighty-three dollars (\$65,483.), said amount to be used for the operation of the Sewer Department for the fiscal year ending June 30, 1986, as per a budget submitted by the Sewer Commissioners, and said sum of money to be also an estimated receipt on the budget of the Town of Winchester, New Hampshire.

Inserted by the Board of Selectmen

Recommended

- Article 13. To see if the Town will vote to raise and appropriate the sum of three hundred thirty-six thousand dollars (\$336,000.), said amount to be used for the operation of the Community Development Department for the fiscal year ending June 30, 1986, and said sum of money to be also an estimated receipt on the budget of the Town of Winchester, New Hampshire.

Inserted by the Board of Selectmen

Recommended

Article 14: To see if the Town will vote to authorize the Board of Selectmen to convey the following easement to Public Service:

Beginning at Public Service Company of New Hampshire distribution pole 62/1 located on the property of the Town of Winchester which is located on the southerly side of so called Richmond Road and extending to the edge of said road, thence beginning at Public Service Company of New Hampshire distribution pole 62/2 located on the property of the Town of Winchester which is located on the northerly side of said road and extending to the edge of said road, said property described in the Registry of Deeds, Book 22, Page 623.

Inserted by the Board of Selectmen

Article 15. To see if the Town will vote to authorize the Trustees of Trust Funds to employ the trust department or departments of a bank or banks to assist in the management and investment of trust fund resources and to provide bookkeeping services in connection therewith or to do both as provided for in RSA 31:38-9 I. - IV.

Inserted by the Board of Selectmen

Article 16. To see if the Town will vote to amend Article 16 passed at the 1978 Town Meeting dealing with consumption of alcoholic beverages as follows:

"The Consumption of Alcoholic Beverages Prohibited." "The consumption of any liquor or beverage as defined in RSA 175 is hereby prohibited on any public way or in any public place as defined in RSA 259:1 and inside or outside a parked motor vehicle on such way. Violation of this section shall be punished by a fine of not more than fifty dollars (\$50.00)." amended by adding the following: "Local organizations established for a minimum of two (2) years may be given permission to serve and consume alcoholic beverages in a public place, if upon petition to the Board of Selectmen they are granted an exception with conditions set forth by the Board of Selectmen. Said exceptions would be granted for only specific events and times as outlined in the organization's request. The exception may be revoked at any time before or during the event for non-compliance with the conditions set forth by the Board of Selectmen."

Inserted by Petition

Article 17. To see if the Town will vote to raise and appropriate the sum of eleven thousand five hundred and fifty dollars (\$11,550.), for the services provided for home health and clinic activities for Home Health Care and Community Services.

Inserted by the Board of Selectmen

Recommended

Article 18. To see if the Town will vote to raise and appropriate a sum not to exceed two thousand five hundred eighty dollars (\$2,580.), to support the mental health program of Monadnock Family and Mental Health Services.

Inserted by the Board of Selectmen

Recommended

Article 19. To see if the Town will vote to raise and appropriate the sum of two thousand four hundred seventy-five dollars (\$2,475.), to support the Meals-on-Wheels program in Winchester in cooperation with Home Health Care and Community Services.

Inserted by the Board of Selectmen

Recommended

Article 20. To see if the Town will vote to raise and appropriate the sum of three thousand seven hundred and thirty-five dollars (\$3,735.), as the Town's share for the studies and operation of the Southwest Region Planning Commission.

Inserted by the Board of Selectmen

Recommended

Article 21. To see if the Town will vote to raise and appropriate the sum of one thousand nine hundred sixty-five dollars (\$1,965.), as the Town's share for the studies and operation of the Southwest Region Solid Waste District.

Inserted by the Board of Selectmen

Not Recommended

Article 22. Revenue Sharing Article: To see if the Town will vote to appropriate the sum not to exceed fifty thousand dollars (\$50,000.) for the purchase of a diesel powered dump truck equipped with plow and wing to replace the 1972 International dump truck, and authorize withdrawal of this sum from the Federal Revenue Sharing Account, and authorize disposal of the 1972 International dump truck.

Inserted by the Board of Selectmen

Recommended

Article 23. Revenue Sharing Article: To see if the Town will vote to raise and appropriate the sum of ten thousand dollars (\$10,000.) for the establishment of a Computer Capital Reserve Fund, and authorize the withdrawal of this sum for this purpose from the Federal Revenue Sharing Fund.

Inserted by the Board of Selectmen

Not Recommended

Article 24. Revenue Sharing Article: To see if the Town will vote to raise and appropriate the sum of five thousand dollars (\$5,000.) to establish a Police Cruiser Capital Reserve Fund, and authorize the withdrawal of this sum for this purpose from the Federal Revenue Sharing Fund.

Inserted by the Board of Selectmen

Not Recommended

Article 25. Revenue Sharing Article: To see if the Town will vote to raise and appropriate the sum of ten thousand dollars (\$10,000.) to establish a Reappraisal Capital Reserve Fund for the reappraisal of all real estate in the Town, and to authorize the withdrawal of this sum for this purpose from the Federal Revenue Sharing Fund.

Inserted by the Board of Selectmen

Not Recommended

Article 26. To see if the Town will vote to raise and appropriate the sum of thirty thousand dollars (\$30,000.) for the purpose of making town buildings handicapped accessible, including handicapped bathroom facilities in the Town Hall, and correct fire code deficiencies in the Town Hall.

Inserted by the Board of Selectmen

Recommended

Article 27. To see if the Town will vote to raise and appropriate the sum of five thousand dollars (\$5,000.) for replacing the Town Hall front stairs, purchase a vacuum cleaner, and replace fans in Emergency Service Building bathrooms.

Inserted by the Board of Selectmen

Recommended

Article 28. To see if the Town will vote to raise and appropriate the sum of forty-five hundred dollars (\$4,500.) for one mobile radio for the Police Department, and two mobile radios for the Fire Department.

Inserted by the Board of Selectmen

Recommended

Article 29. To see if the Town will vote to raise and appropriate the sum of twenty-five hundred dollars (\$2,500.) for a 500 gallon booster water tank for Ashuelot fire truck.

Inserted by the Board of Selectmen

Recommended

Article 30. To see if the Town will vote to replace the bridge over the Wheelock Brook, near the William Kelly farm, and raise and appropriate thirty thousand dollars (\$30,000.) for said purpose, or take any other action thereon.

Inserted by the Board of Selectmen

Recommended

Article 31. To see if the Town will vote to raise and appropriate the sum of three thousand dollars (\$3,000.) for the purchase of a photocopier and typewriter for the Emergency Service Building.

Inserted by the Board of Selectmen
(Note: One quarter of expense is reimburseable through a Civil Defense Grant.)

Recommended

Article 32. To see if the Town will extend the Municipal Sewer Service from Richmond Road down to Goamko Drive to the end of the tarred pavement, consisting of 840 feet.

Inserted by Petition

Article 33. To see if the Town will vote to raise and appropriate the sum of thirty-five hundred dollars (\$3,500.) for a York Rake for the Highway Department.

Inserted by the Board of Selectmen

Recommended

Article 34. To see if the Town will vote to raise and appropriate the sum of twenty-eight hundred dollars (\$2,800.) for the purchase of a Pressure Washer for the Highway Department.

Inserted by the Board of Selectmen

Recommended

Article 35. To see if the Town will vote to raise and appropriate the sum of fifty-five hundred dollars (\$5,500.) for the purpose of developing preliminary plans for the renovation of the basement of the Conant Public Library making it suitable for expansion of library services, or take any action thereon.

Inserted by Petition

Recommended

Article 36. To see if the Town will vote to authorize the Board of Sewer Commissioners to investigate and/or purchase a new or used mechanical de-watering devise and assessories and furthermore raise and appropriate an amount not to exceed thirty thousand dollars (\$30,000.) from Sewer funds for this purchase and said sum of money to be an estimated receipt on the budget of the Town of Winchester.

Submitted by the Board of Sewer Commissioners

Not Recommended

Article 37. To see if the Town will raise and appropriate the sum of eleven thousand seven hundred dollars (\$11,700.) to extend the existing water line on Warwick Road which ends at Johnnie's Sales and Service an additional 1,299 feet to serve present and all future residents in the area and, in addition, to install a hydrant at the new termination point to provide the area residents adequate fire protection.

Inserted by Petition

Not Recommended

Article 38. To see if the Town will vote to reinstate most of the parking spaces which were removed from Main Street across from the Drugstore Block.

Inserted by Petition

Article 39. To see if the Town will vote that all articles requiring the expenditures of funds have a vote of at least 20% of the registered voters of the Town.

Inserted by Petition

Article 40. To see if the Town will vote to deed the Lost Mill Road so called, to Paper Service Mills, Inc., or take any other action thereto.

Inserted by the Board of Selectmen

Article 41. To see if the voters will vote to return the fiscal year, in the said Town of Winchester, New Hampshire, to January one.

Inserted by Petition

Inserted by Petition

Article 48. To ask the voters if the position of Police Chief shall be returned to an elected position.

Inserted by Petition

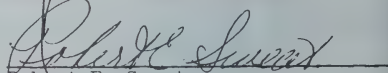

Article 49. To see if the voters will vote as follows: No person shall hold more than one appointed or elected position at one time, in the Town of Winchester, New Hampshire.

Inserted by Petition

Article 50. To transact any business that may legally come before said meeting. Given under our hands this eighteenth day of May 1985.

A true copy of Warrant-Attest:

Eugene W. Clark, Chairman

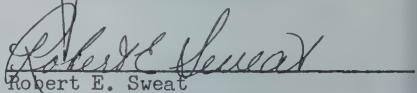

Robert E. Sweat

Jean M. White

Board of Selectmen
Town of Winchester, New Hampshire

We, the undersigned Selectmen of the Town of Winchester hereby certify on this twenty-ninth day of April, 1985, an attested copy of the foregoing warrant was posted at the place of the meeting within specified and at the Post Office in Winchester, New Hampshire and the Post Office in Ashuelot, New Hampshire, being public places in said Town.

Eugene W. Clark, Chairman

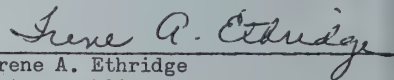

Robert E. Sweat

Jean M. White

Board of Selectmen
Town of Winchester, New Hampshire

Then personally appeared Eugene W. Clark, Robert E. Sweat and Jean M. White, Selectmen of Winchester, and made oath that the foregoing affidavit by them signed is true.

Before me

Irene A. Ethridge
Notary Public

October 19, 1984

To the Board of Selectmen
Winchester, New Hampshire

As part of our examination of the financial statements of the Town of Winchester New Hampshire for the year ended June 30, 1984, we made a study and evaluation of the Town's system of internal accounting control to the extent we considered necessary to evaluate the system as required by generally accepted governmental auditing standards. Under these standards, the purpose of such an evaluation is to establish a basis for reliance on the system of internal accounting control in determining the nature, timing, and extent of other auditing procedures that are necessary for expressing an opinion on the financial statements and to assist the auditor in planning and performing his examination of the financial statements.

The establishment and maintenance of a system of internal accounting control is an important responsibility of Town Officials. The objective of internal accounting control is to provide reasonable, but not absolute, assurance as to the safeguarding of assets against loss from unauthorized use or disposition and the reliability of financial records for preparing financial statements and maintaining accountability for assets. The concept of reasonable assurance recognizes that the evaluation of these factors necessarily requires estimates and judgments by Town Officials

There are inherent limitations that should be recognized in considering the potential effectiveness of any system of internal accounting control. In the performance of most control procedures, errors can result from misunderstanding of instructions, mistakes of judgment, carelessness, or other personal factors. Control procedures whose effectiveness depends upon segregation of duties can be circumvented by collusion. Similarly, control procedures can be circumvented intentionally either with respect to the execution and recording of transactions or with respect to the estimates and judgments required in the preparation of the financial statements. Further, projection of any evaluation of internal accounting control to future periods is subject to the risk that the procedures may become inadequate because of changes in conditions and the degree of compliance with the procedures may deteriorate.

REVITALIZATION PROJECT:

In early 1983 the Town embarked on its first community development block grant project to assist local citizens in improving their homes in a specified target area. Since that time the Town has received another grant through the Office of State Planning and has applied for a third grant.

The early period of the first grant was initially plagued by uncertain local interest, lack of adequate manpower in the community development office and turnover of rehabilitation specialists within the program forcing the director to spend much of her time in areas other than administration. In addition, the program's first director was inexperienced in the administration responsibilities of the program.

The first director of the program resigned in May, 1984 to assume another position. The Town hired a new community development director who found the records to be in an less than acceptable condition and spent most of the summer and early fall attempting to reconstruct the records to meet federal requirements. We believe that without his efforts, the records may have been in an unauditable condition.

Our examination disclosed the following problems:

Ownership verification was incomplete for several projects.

Photo documentation of work performed was inadequate.

One contractor received was overpaid by \$3,047.

Program guidelines require that a lien be placed on properties for a period of three years. This procedure was not consistently followed.

It appears that two projects of sixteen tested did not meet the income eligibility guidelines.

Our cash requirements test disclosed that the program had requested federal funds in excess of its cash requirements in late March, 1984.

Despite the aforementioned problems, we are pleased to note that project files and records in late May/June, 1984 were greatly improved. Our examination of projects started after the new director took over disclosed substantial compliance to program and federal guidelines. The more recent files tested in our sample contained adequate documentation and appeared complete.

We want to commend the new director and his staff for the improvements in record-keeping and documentation procedures and his efforts to reconstruct prior records.

TOWN RESPONSE:

Although the early program was plagued by many problems, the program is now complying with all applicable guidelines under the direction of a new community development director. The new director has accomplished a complete turn-around in the direction of the new project, both in terms of project accountability and project impact within the community.

The Town received a favorable field visit report from the regional office of Department of Housing and Urban Development concerning the current status of the project in mid-November.

HELD INVOICES:

As part of our audit procedures, we examine cash disbursements for a period subsequent to year end to determine the existence, if any, of unrecorded liabilities. Our review of subsequent disbursements for both the police department and highway department disclosed that certain invoices were kept over until the next budget year because of the overdraft status of the departmental budgets.

We recommend that this practice of holding invoices be terminated by department heads. It is extremely important for good management to properly allocate costs to the accounting period when the services or goods were rendered. Holding invoices to the next accounting period will adversely affect the next year's budget.

We urge the local officials to review the adequacy of the police and highway budgets voted at town meeting. The Police Department overexpended its budget in each of the last three years and the Highway Department in two of the last three years. While we can understand that the recent flood created havoc with departmental budgets in the current year, the past trend of these two departments should be of concern to the town manager and selectmen.

TOWN RESPONSE:

We concur with the auditor's findings. Currently, the budgets of both the police department and the highway department are in line as of December 31, 1984 and, unless unforeseen events occur, we anticipate that the police and highway expenditures will not exceed their budgets for the current year.

The department heads have been notified that the practice of intentionally holding invoices over to the next year must cease.

OUTSIDE POLICE DETAIL:

In a prior commentary letter, we recommended that the practice of private contractors paying officers who work on outside police details directly be terminated. We recommended that outside police details be billed by the town to the private contractors and handled through the regular payroll system. Our current review of local revenues indicates that the town did not receive any local revenues from this source this year. Our discussions with the Police Chief indicated that the sole source of outside police details for the current year was from the Donadnock Raceway. The raceway is responsible for direct payment to security and traffic control personnel.

We are concerned about this type of relationship. If the officer is injured or is a cause of injury, we believe that the town may be liable for damages, worker's compensation benefits, medical expenses, etc. When a local police officer is wearing the police uniform and badge of the Winchester Police Department, his law enforcement powers are derived from the Town of Winchester and it appears that he may be an agent of the Town. Therefore, it is possible that the town has exposed itself to potential liability without any compensation. Therefore, we urge local officials to review this relationship as soon as possible to determine who may be responsible for this type of exposure in the future.

In addition, the Town should ascertain whether the raceway is treating the security and traffic control officers as employees or independent contractors. Ultimately it is the responsibility of either the town or raceway to provide employees with annual payroll reports (Form W-2 in the case of an employer-employee relationship) or annual information return (Form 1099 in the case of an independent contractor. Failure to report payments to the Internal Revenue Service may subject either the town or Raceway to severe penalties.

TOWN RESPONSE:

The Town Manager and Police Chief have agreed that when local police officers are in uniform, the payment for service will be made to the Town. Whenever, local officers are hired as security officers, they will not wear a uniform, therefore limiting liability to the town to clearly those cases where the officer is representing the Winchester Police Department.

AMBULANCE SERVICES:

In our prior commentary letter, we discussed the problem of non-payment for ambulance services. While greatly improved, we believe that this problem still existed in the current audit period. We estimate that as much as \$ 5,400 of current billing remain unpaid.

It is our understanding that the Town Manager is reviewing alternative collection procedures for ambulance billings. We urge that action be taken as soon as possible to improve the collection of outstanding ambulance fees.

TOWN RESPONSE:

The Town has engaged the services of a credit collection agency to collect bills more than sixty days past due. At the end of the fiscal year the new procedures to be evaluated for effectiveness and further action will be taken if necessary.

OTHER:

The recommendations on administrative and operational matters not directly related to internal accounting control, as listed below, were developed during the current examination and are not the result of a special study.

REVENUE SHARING COMPLIANCE:

It is our understanding that the Town has complied with the federal revenue sharing handicap study committee requirements. The purpose of the committee was to review the town's programs and activities for access to the handicapped. After the evaluation process, steps should be taken to implement the plan that the committee had developed within the next two years.

TOWN RESPONSE:

The Town has received architectural drawings to make the Town Hall handicap accessible. The Town Manager is determining the estimated cost of these changes and will present a proposed budget to the 1985 town meeting. Should the voters appropriate the necessary funds, it is anticipated that work will commence during the summer of 1985.

TRUST FUNDS:

Last year we recommended that the trustees consider the transfer of the investment portfolio to a professional investment institution such as a trust department of a national bank. We met with the trustees during the current audit period to discuss our recommendation in greater detail.

We, again, urge the trustees to consider the transfer of both the investment function and bookkeeping to a outside trust department in the near future. Over the years the trustees have done extremely well with its investment portfolio as indicated by the market value of the trust investments on the balance sheet. However, the complexity of investing in today's environment and the lack of professional investment experience of the current trustees would make the transfer of the investment activity to a bank trust department appropriate.

TOWN RESPONSE:

The trustees have requested the selectmen to insert a special article for Town Meeting authorizing them to utilize the services of a banking institution for the management of trust funds as recommended by the auditor.

PRIOR RECOMMENDATIONS

The following recommendations were made in a prior year and continue to be applicable for the current audit period:

SPECIAL PROJECT BUDGETING:

In our prior commentary letter, we noted that expenditures for sewer line extensions and the revitalization expenses were made without an appropriation. Our current examination disclosed the continuing problem of sewer extension expenditures without an appropriation, a violation of the Municipal Budget Act. We, again, want to remind you of the provisions of the Municipal Budget Act which requires governments to budget all expenditures and revenues on a gross basis.

TOWN RESPONSE:

Future budgets will include expenditures and estimated revenues for special projects to comply with the Municipal Budget Act.

SEWER OPERATIONS DEBT SERVICE:

Last year, we mentioned that the debt service for the sewer operations is currently being funded by real estate taxes and not sewer user fees. Therefore, property tax owners who are not connected up to the sewer system are required to pay debt service for those who do benefit by the sewer system. We urge the sewer commissioners and other town officials to consider the merits of funding debt service payments through sewer user charges.

TOWN RESPONSE:

The Sewer Commissioners have been requested to consider the inclusion of the debt service applicable to the sewer system in their future budgets.

We are pleased to report that several of our prior recommendations were implemented during the current year. Some of the improvements include the elimination of line item budget transfers, adjustment of the quarterly sewer billing to July instead of June, improvements in the personnel record-keeping procedures, adoption of new sick leave and vacation policies, consolidation of certain trust fund savings accounts to higher yielding investments and the continuation of improvements in local budgeting and purchasing procedures.

CONCLUSION:

A commentary letter by its very nature might lead someone to a negative connotation regarding the town's financial operations and business practices. However, the purpose of this letter is to provide constructive recommendations for improvements.

In general, we believe that the Town of Winchester, New Hampshire to be well run. Special thanks for their assistance should go to Mr. Arnold B. Conway, Treasurer, Mrs. Irene Ethridge, Selectmen's Secretary, Robb Nichols, Community Development Director and Catherine I. Burgess, Town Manager for their extra assistance during the course of our examination.

The study and evaluation previously described was made primarily for the purpose of performing an examination in accordance with generally accepted governmental auditing standards. It would not necessarily disclose all weaknesses in the system because it was based on selective tests of the accounting records and related data.

A letter of this type is critical by nature. We found many examples of good business management practices in our review of the Town's systems. We wish to express our appreciation for the cooperation we received from Town's Officials and employees.

Very truly yours,

Carey, Jackson & Olney

TOWN RESPONSE:

Future budgets will include expenditures and estimated revenues for special projects to comply with the Municipal Budget Act.

SEWER OPERATIONS DEBT SERVICE:

Last year, we mentioned that the debt service for the sewer operations is currently being funded by real estate taxes and not sewer user fees. Therefore, property tax owners who are not connected up to the sewer system are required to pay debt service for those who do benefit by the sewer system. We urge the sewer commissioners and other town officials to consider the merits of funding debt service payments through sewer user charges.

TOWN RESPONSE:

The Sewer Commissioners have been requested to consider the inclusion of the debt service applicable to the sewer system in their future budgets.

We are pleased to report that several of our prior recommendations were implemented during the current year. Some of the improvements include the elimination of line item budget transfers, adjustment of the quarterly sewer billing to July instead of June, improvements in the personnel record-keeping procedures, adoption of new sick leave and vacation policies, consolidation of certain trust fund savings accounts to higher yielding investments and the continuation of improvements in local budgeting and purchasing procedures.

Very truly yours,

Carey, Jackson & O'Leary

October 19, 1984

To the Board of Selectmen
Town of Winchester, New Hampshire

We have examined the financial statements of the Town of Winchester, New Hampshire, for the year ended June 30, 1984, and have issued our report on them dated October 19, 1984. As part of our examination, we made a study and evaluation of internal accounting control of Town of Winchester, New Hampshire, to the extent we considered necessary to evaluate the system as required by generally accepted auditing standards and the standards for financial compliance audits contained in the U. S. General Accounting Office Standards for Audit of Governmental Organizations, Programs, Activities and Functions. For the purpose of this report, we have classified and evaluated the significant internal accounting controls in the following categories:

ACCOUNTING APPLICATIONS

Receivables and Cash Receipts
Purchasing and Receiving
Cash Disbursements
Payroll
Federal Cash Requests
Grant Accounting and Administration
Community Development Program Administration

The purpose of our study and evaluation was to determine the nature, timing, and extent of the auditing procedures necessary for expressing an opinion on the entity's financial statements. Our study and evaluation was more limited than would be necessary to express an opinion on the system of internal accounting control taken as a whole or on any of the categories of controls identified above.

The management of Town of Winchester, New Hampshire is responsible for establishing and maintaining a system of internal accounting control. In fulfilling that responsibility, estimates, and judgments by management are required to assess the

pected benefits and related costs of control procedures. The objective of a system are to provide management with reasonable, but not absolute, assurance that assets are safeguarded against loss from unauthorized use or disposition, and that transactions are executed in accordance with management's authorization and recorded properly to permit the preparation of financial statements in accordance with generally accepted accounting principles. Because of inherent limitations in any system of internal accounting control, errors or irregularities may nevertheless occur and not be detected. Also, projection of any evaluation of the system to future periods is subject to the risk that procedures may become inadequate because of changes in conditions or that the degree of compliance with the procedures may deteriorate.

Our study and evaluation for the limited purpose described in the first paragraph would not necessarily disclose all material weaknesses in the system. Accordingly, we do not express an opinion on the system of internal accounting control of the Town of Winchester, New Hampshire, taken as a whole or any of the categories identified in the first paragraph.

However, our study and evaluation disclosed the following conditions that we believe result in more than a relatively low risk that errors or irregularities in amounts that would be material in relation to the financial statements of the Town of Winchester, New Hampshire, may occur and not be detected within a reasonably long period.

COMMUNITY DEVELOPMENT BLOCK GRANT:

Procedures to ensure compliance with both federal and local guidelines were inadequate.

Procedures to ensure that contractors were not overpaid were inadequate.

The local requirement of a property lien placed on the property was not followed.

Procedures to ensure to verify income eligibility was inadequate.

Procedures to determine federal cash requirements were inadequate.

AMBULANCE SERVICES:

Collection procedures for outstanding ambulance billings are inadequate.

This report is intended solely for the use of management and federal cognizant agency and should not be used for any other purpose. This restriction is not intended to limit the distribution of this report, which, upon acceptance by the Town of Winchester, New Hampshire is a matter of public record.

Carey, Jackson & Chute

October 19, 1984

Board of Selectmen
Winchester, New Hampshire

We have examined the general purpose financial statements of the Town of Winchester, New Hampshire, for the year ended June 30, 1984, and have issued our report thereon dated October 19, 1984. Our examination was made in accordance with generally accepted auditing standards; the provisions of Standards for Audit of Governmental Organizations, Programs, Activities and Functions, promulgated by the Comptroller General of the U. S., as they pertain to financial and compliance audits; the provisions of the U. S. Office of Management and Budget's (OMB) Compliance Supplement--Uniform Requirements of Programs, for Grants to State and Local Governments (the compliance supplement); and the provisions of OMB's Circular A-102, Uniform Administrative Requirements for Grants-in-Aid to State and Local Governments, Attachment E, Audit Requirements and, accordingly, included such tests of the accounting records and such other auditing procedures as we considered necessary in the circumstances.

Based on our examination, we found that, for the items tested, the Town of Winchester, Hampshire complied with the material terms and conditions of the federal award agreements. Further, based on our examination and the procedures referred to above, nothing came to our attention to indicate that the Town of Winchester, New Hampshire had not complied with the material compliance terms and conditions of the awards referred to above beyond the findings and questioned costs noted above.

This report is intended solely for the use of the Town of Winchester, New Hampshire, the cognizant audit agency, and other federal audit agencies. This restriction is not intended to limit the distribution of this report which, upon acceptance by the Town of Winchester, New Hampshire, is a matter of public record.

Ellen Lambert Murphy Memorial Community Center

WINCHESTER
NEW HAMPSHIRE 03470
603-239-4316

DIRECTOR'S ANNUAL REPORT 1984

I assumed the position of Director of the E.L.M. Community Center on September 1, 1984. Hence, this report will cover a four month period in 1984 instead of the full year.

Upon assuming the position, a quick needs assessment revealed that the community center was in serious need of both physical repairs and the development of more recreation programs. Efforts made in these areas will be discussed in this report. Winchester is very fortunate to have a facility such as the community center and it is used a great deal by the residents, however, there is always room for improvement. By striving to make improvements in the two areas mentioned above, we will take a directed step towards utilizing the E.L.M. Community Center to its full potential.

The community center provides a meeting place for a wide variety of groups and organizations in Winchester. The following groups used the center on a regular basis in 1984:

Ashuelot Blazers Snowmobile Club
Winchester Senior Citizens Inc.
Winchester Sportsman Inc.
The N.R.A. Hunter Safety Program
The Winchester Star Newspaper
The District Nursing Association
The Mineral Club
The Tannery Union
The Historical Society
The Winchester Bible Baptist Church
The Ashuelot Paper Co. Union
The Winchester Kiwanis Club
The Winchester Women's Club
The Thayer Junior High School Cheerleaders
The Boy Scouts
The Cub Scouts
The Girl Scouts

In addition to serving as a meeting place, the community center provides recreational opportunities to the residents of Winchester, through both organized programs and informal use of the facilities. During the four months that I have been Director of the community center, I have observed that the recreational facilities including tennis courts, basketball courts, all purpose area and playground equipment are used quite frequently by the local residents. With proper maintenance, these facilities will continue to provide enjoyable recreational opportunities to the townspeople. In addition to the above-mentioned facilities, an

ice-skating rink was recently constructed on the all purpose area behind the auditorium. This area will provide a safe, nearby setting for the residents of Winchester to enjoy ice-skating.

In the area of organized recreation programs some progress has been made. It should be noted that program development has been somewhat limited by the winter season, during which most programs must take place indoors. The community center should offer a wide variety of recreation programs and I am confident that with the coming of Spring and its warmer weather, combined with my growing familiarity with the area, its people and the resources available, new program development will be greatly increased. The following recreation programs were offered at the community center during the last four months:

League Bowling: 1 Men's league
1 Senior Citizen's league
1 Teen league
2 Women's leagues
1 Children's league
Open Bowling; Friday and Saturday nights
Bowling for special education classes at the high school
Bowling for physical education classes at the High School
Friday Evening Children's Movies
Adult Ceramics Classes
Childrens Ceramics Classes
Adult Painting Classes
Childrens School Vacation Activities Program
Open Dances

In the area of special events the community center presented the following in the past four months:

1st Annual Septemberfest Lobster Bake
British Night with Dinner And Dance
Halloween Parade and Costume Contest
Annual Christmas Bazaar
All of these events met with great success.

These recreation programs and special events are publicized through the following media;

The Monadnock Shopper
The Keene Sentinel
City Opal's Radio Program
Posters placed in local businesses and bulletin boards
Flyers sent home with school children
A full page monthly article in the Winchester Star entitled
Community Center News

Many repairs and improvements to the physical plant have been accomplished in the last four months. Through a grant written and administered by the Community Development Office, we were able to have 3/4 of the Main House painted, the north-west corner of the house's foundation repaired, and electrical repairs done in the basement of the house. Through an additional grant, the community center will receive \$3,000.00 to be used to complete the painting of the house and additional repairs. A complete breakdown of the grant expenditures is attached to this report. In addition to the above mentioned repairs, the following improvements were made to the physical plant:

The complete renovation of the Director's apartment, With the help of several board members, their spouses, our janitor and two local contractors, we were able to restore the apartment to its present comfortable and attractive condition.

General landscaping and cleanup.

Replacement of the rear door in the main house.

Replacement of blower motor in the auditorium furnace.

Installation of a powerful sound system for movie showings in the auditorium.

Repair of snowblower.

Replacement of oil burner in the main house with a new high-efficiency unit.

These repairs and improvements have made the community center a more attractive and comfortable facility. Though much more needs to be done, we have made a good start on the rehabilitation of the community center and with the continued support of the many helpful community members, I am confident that a great deal will be accomplished in the coming year.

Rentals of the Community Center facilities have been quite regular in the past four months. These rentals provide the center with a small income which helps in the maintenance of the facility. One problem in the rental area did present itself recently. This being the matter of the Bible Baptist Church's rental of the Community Center. No effective contract was held governing the Church's use of the facilities and there were many misunderstandings concerning the rental agreement. After a fair long negotiation process, a contractual agreement satisfactory to both parties has been entered into and no further problems are expected.

In summary then, progress has been made in both the area of program development and physical improvements. Much remains to be done and the future of the new year appears bright. We thank the many Winchester residents for the continued support in making the E.L.M. Community Center a place of which we can all be proud. Respectfully submitted, Daniel R. Despard

COMMUNITY DEVELOPMENT OFFICE
TOWN HALL
WINCHESTER, N.H.

December 4, 1984

Mr. Despard
Executive Director
E.L.M. Center
Winchester, N.H. 03470

Dear Dan,

As you requested, you will find the original and amended budget figures as well as a listing of actual expenditures:

	<u>Original</u>	<u>Amended</u>	<u>Actual</u>
Electrical	2,500	400	114
Paint	1,500	6,000	6,400
Foundation	500	250	475
Playground	2,500	350	0
Equipment			
Disc. (Scrapers, files, etc.)			27.22
TOTALS	<u>7,000</u>	<u>7,000</u>	<u>7,016.22</u>

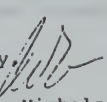

Includes payment of \$16.22 from E.L.M. Center.

The original budget was changed once it was determined that it was unrealistic to expect that volunteers would paint the building.

As I mentioned to you on the phone, the town of Winchester has been awarded another \$336,000 for the Ashuelot Village Housing Rehabilitation Project. Included in this budget, is another \$3,000 for the E.L.M. Center. While I specified that there funds would be used to finish the exterior painting, if it takes less than \$3,000 to complete the east side, I am confident that we will be able to use any remaining balance for other repairs or playground equipment.

Please contact me if you have any questions.

Sincerely,

Robert G. Nichols
Community Development Director

REPORT FOR FY 10/1/83 - 9/30/84
HOME HEALTH CARE AND COMMUNITY SERVICES

SERVICE REPORT

The following statistics represent the home care and community based services provided in your community this past year.

CLINICAL SERVICES:

Skilled, Maintenance & Prevention Nursing/ Care of the Terminally Ill	649 Visits
Physical Therapy	45 Visits
Homemaker	543 Hours
Home Health Aide	128 Visits
Child Health	33 Visits
Nutritionist	21 Visits

SENIOR SERVICES:

Meals-On-Wheels	7,369 Meals
-----------------	-------------

These services were provided to the following unduplicated clients:

Professional Services	126 Adults
Homemaker/Home Health Aide Services	19 Adults
Maternal & Child Health Services	25 Children
	10 Mothers

In addition to the above, regularly scheduled blood pressure clinics and monthly child health clinics were available to the adults, mothers and children who live in Winchester.

FINANCIAL INFORMATION AND FUNDING REQUEST

The services provided in your community this past year were supported to the greatest extent possible by Medicare, Medicaid, other insurances, state and federal grants and service fees.

The following visits were provided in your community at no charge or on a part fee basis to your residents. The cost of these visits was covered by your town appropriation, contributions, county funds and trust funds. The average contribution toward a visit averages less than 10% of the total cost.

Nursing, Nutritionist, MSW Services	402 Visits
Homemaker	179 Hours
Child Health	33 Visits

Additional funding from your community supports uncovered expenses incurred in relation to child health services, clinic activities and the care of the terminally ill program. In addition, these funds insure the continuing availability of staff to provide services as they are required in your community.

The following service was provided at no cost to Winchester residents and was supported in part by your town appropriation.

Meals-On-Wheels	7,369 Meals
-----------------	-------------

The total cost of free services in your town this past year was:

\$35,884.00

Funding applied toward these free services was:

Town Funds (Including Meals-On-Wheels)	\$11,750.00
County Funds	4,075.08

The total deficit for 1984 is \$20,058.92.

Our appropriation request for 1985 is \$11,550.00 for clinical services (or the fee for service agreement as described in our letter) and \$2,475.00 for our Meals-On-Wheels Program.

Winchester Dept. Payroll (annual salaries)

Respectfully Submitted

Elliot C. Thompson
Clerk

WINCHESTER POLICE DEPARTMENT
ANNUAL REPORT - 1984

1984 was an excellent year for Law Enforcement in the Town of Winchester. This is reflected in both the statistics, showing fewer crimes committed and accidents reported, as well as our ability to keep our budget in line for the first time in many years.

Traffic accidents are lower than I have seen during my last eight years on the Police Department. Our Traffic Safety Grant has enabled us to place a second Officer on patrol Thursday through Sunday nights and has unquestionably contributed to fewer accidents as has the increased training of our Part Time Officers.

The second Cruiser on busy nights, is also a crime deterrent due to the increased visibility of the Police Officers. Work in these areas will continue.

Burglaries, as last year, is at an all time low. During the past four years that I have been Chief, the number of homes and businesses that have been entered, have been fewer each year. This year, only eight have been reported. Our aggressive house check program, as well as the increased visibility in general, has contributed to this noteworthy achievement by our Department. An even better house and business check policy is being implemented at this time, in an effort to make entering a home or business in Winchester, very difficult and the chance of being caught, greater.

My plans for the year have not changed. I want the Department to work harder on problem areas and to continue to reduce the reported crimes in Winchester while at the same time, keep our highways safe.

This year at budget time, I am working with the Town Manager, Selectmen and the Budget Committee to raise the pay of our Special Officers so that we can be competitive with the surrounding Towns and reduce our turnover rate. At the same time, all must keep in mind, our fast raising tax rate, a concern to all of us. We are trying to keep our budget at the minimum possible and still maintain adequate police protection.

Our busy time of year is now approaching with the warm weather and I am confident we are well prepared to handle the many different type calls we receive. During weekdays, Winnie Landry continues to monitor the phones, keep the paperwork moving, while at the same time, relays calls, etc. to the Officer on duty.

If you have any suggestions on how you feel the Police Department could better meet the needs of the Town, please call us.

Our goal continues to be working towards insuring that Winchester is safe, secure and an attractive place to live.

Thank you for your continued support,

James E. Harrison, Chief
Winchester Police Department

Unattended Deaths	2			

WINCHESTER AMBULANCE DEPARTMENT

The Winchester Ambulance responded to 269 calls during the past year. We transported patients to Cheshire Hospital in Keene, Farren Memorial in Greenfield, Mass., Brattleboro Memorial in Brattleboro, Vermont and Athol Hospital in Athol, Mass. We provided standby service at all general alarm fires.

The flood of 1984 kept our crew busy with evacuation work, a shelter and returning people to their homes. It also pointed out that in a small town, everyone works together when there is a need. We appreciated all the donations of food, clothes, blankets and help we received during this particular disaster.

Once more, our billing system is proving worthwhile as more money is being received to help offset our expenses.

We are very appreciative of the memorial funds we have received and are using this fund to upgrade our equipment. The Selectmen have set up a separate fund for us to accumulate these donations and at the end of the year, whatever remains in the fund, goes into a contingency toward a new Ambulance. We are very pleased to have one of the best equipped Ambulances in the area, thanks to you people and your gifts. Keep in mind, however, we also have one of the longest distances to travel to a Hospital and this makes it mandatory for us to provide the very best care possible.

Our training program included drills with Police, Fire and Ambulance, CPR Classes, First Aid Classes and a general review of procedures. The cooperation between the Emergency Services in Winchester is outstanding and we all benefit from this rapport.

Our membership is now 17 members and once more, we are looking for new members. We realize it is asking for a commitment, the training necessary is about 60 hours to start and is continuous but, there is a need for more people.

Our present roster is:

* Walter Harrison, Chief	Mary Montgomery
* Jacquilyn Harrison	Jane Jillson
* Raymond Montgomery	Priscilla Murray
* Charles Rosoff	Jim Howland
* Elena Heiden	Melissa Montgomery
* Robert Murray	Ronald Jones
* Richard Clapp	Nadine Tedford
* Dan Despard	Georgiana Dingman
* Don Cornell	
* = Emergency Medical Technician	

Walter Harrison, Chief
Winchester Ambulance Department

SEWER DEPARTMENT

In April, Jerry Holcomb left his position as superintendent after five years of service. He was replaced by Sharon Ostrander in June. Al Munichello left his position in June after 3 years of service, as a part-time laborer. Phil Pratt was hired to replace him in June. Dan Stover was hired as a part-time laborer in April, but resigned in May.

Heavy rains caused flooding from May 29 until June 2. The flooding created excessive inflow into the plant which resulted in the biological system washing out and flooding in the headworks. The comminutor and grit screw were submerged and their motors had to be baked out and the electrical circuit breakers had to be dried out before they could be returned to service.

The sodium hypochlorite storage building was floated as the water rose. When the water entered the building the individual tanks were floated out of place, but no pipes were broken. The tanks were successfully moved back into place.

There was twenty-four hour coverage maintained from May 31 through June 1st to help protect the plant from excessive damage. The plant was watched-over by Al Munichello, Jerry Holcomb, Ted Rvll, Hubert Crowell and Frank Amarosa III.

Several pieces of equipment were repaired over the year. The influent pump seal and bearings were replaced and the clutch was repaired. One set of sludge pump pistons were rechromed and then replaced into the pump. Also the countershaft and one set of its bearings were replaced on the same pump.

The comminutor seals and bearings were replaced while it was out of service for flood repairs. Many broken fins were replaced and painted on the rotor.

The State Liquor Store dumped 3,000 gallons of flood contaminated liquor into the septage tank in late July and early August. While feeding the liquor into the system the valve became jammed and the contents drained completely. This caused a heavy loading, but the system was not upset.

The plant's International Loadstar Dump Truck was put up for bid in September. The high bidder was the Town of Wendell, Massachusetts, who bought the truck for \$18,000. Also bids were requested for a new truck and the low bidder was Keats, Inc. of Keene. The new truck was ordered on October 1, 1984 and delivery is still being awaited.

Respectfully Submitted,
Sewer Commissioners

Community Development Office
Report
Fiscal Year Ending June 30, 1984

During fiscal year 1984 the Community Development Office continued to administer Winchester's first Community Development Block Grant for \$365,000, funded by the federal Department of Housing and Urban Development. This first revitalization project has consisted of housing rehabilitation, a survey of historic properties, sidewalk repairs, and intersection improvements.

During the year 28 homeowners in the Town's first target area, the neighborhood of North Main Street and the immediate area east, received assistance either in the form of a grant or a loan to make essential home improvements. Design work was also completed by Reinhar Associates for sidewalk and intersection improvements.

In addition, the Town successfully applied for a second community development grant from the New Hampshire Office of State Planning. Another \$303,562 was awarded to Winchester to repair 35 housing units in the Elm Street area, repair and paint the E.L.M. Community Center, and replace the Elm Street Bridge walkway.

Finally, the Town hired an entirely new community development staff and moved the Community Development Office into the basement of the Town Hall.
